

## Custom Scissor Lift Tops

### OVERVIEW

Optimum Handling Solutions specialises in custom design and fabrication of high quality custom table top accessories to suit your scissor lift application. Whether it's some custom stillage locks, a rotating turn table top or a more involved raise roller conveyor system to handle 4000kg ULD containers we can assist you with your application. Optimum Handling Solutions evaluates your needs, develop strategies & provides solutions at the right price every time.

### APPLICATIONS

Optimum Handling Solutions has a full range of scissor lifts for applications such as:

- ✓ Conveying
- ✓ Packaging
- ✓ Lifting equipment
- ✓ Unloading equipment
- ✓ Loading equipment
- ✓ Palletising
- ✓ Depalletising

If you require specific advice on material handling solutions, let us help you make the right decision. Whether it be from our Australian production items or our import lines, we are dedicated to use our industry specific knowledge to provide a materials handling solution to help you.
